We have taken every precaution to make sure that your package has been shipped in the best possible way. If there are any issues with your order please follow these steps:

MISSING ITEMS?

Check all boxes and packing material closely. Often times, smaller items are wrapped in paper, bubble wrap, or packing peanuts. Small parts can sometimes be taped to other tools or the inside flap of the box. Please inspect both top and bottom flaps. If there are items missing from your order you must CONTACT ALL-WALL CUSTOMER SERVICE WITHIN 48 HOURS. (800) 929-0927. After this time window, Missing item claims will not be honored (Do not discard box or packing materials). Also, check the packing list to see that the missing items are not listed as back ordered.

DAMAGED ITEMS

We take extra care to make sure that your items are packed properly. If you receive a damaged product, please call us immediately (800) 929-0927. Do not discard the box or any of the packing material. In order to file a claim for missing or damaged merchandise you must carry out these instructions within 48 hours (or equivalent business days).

SAVE YOUR PACKAGING

Keep all packaging for at least 30 days. Returns will not be accepted without original packaging. The carton used for the Automatic Taper is specially designed to reduce UPS shipping charges due to dimensional weight. Please save this carton for the length of time you own the tool. Saving the carton will drastically reduce freight costs associated with repair or warranty service.
